ADMINISTRATIVE POLICY NO. 8.0

TITLE: Small, Minority, and Women-Owned Business Enterprise (SMWBE) Policy for the Procurement of all County Offices, Departments, Funded Entities and Facilities in the areas of Commodities, Equipment, Professional and Personnel Services, Maintenance and Construction

REPLACES: 1992 Disadvantaged Business Enterprise (DBE) - Administrative Policy 8.0

REPLACES: 2003 Small, Minority, and Women-Owned Business Enterprise (SMWBE) Administrative Policy 8.0

REPLACES: 2004 Small, Minority, and Women-Owned Business Enterprise (SMWBE) Administrative Policy 8.0

REVISION DATE: September 12, 2017

EFFECTIVE DATE: September 12, 2017

SECTION 1: PURPOSE

Since April 2001, Commissioners Court has established a Small, Minority and Women Owned Business Enterprise (SMWBE) Program with participation targets of 20% for Minority, and/or Woman-owned Business Enterprises (MWBE) and/or a minimum of 30% for Small Business Enterprises (SBE). Procurement and contracting dollars spent with a MWBE that also is a SBE will be counted in both categories.

The SMWBE Program was created to ensure small, minority, and women-owned businesses a fair opportunity to compete on the County's contracts. Similarly, the County promotes SMWBE participation in its Tax Phase-in Program, and with its funded entities and facilities to support the growth and diversity of a regional economy.

The success of the SMWBE Program depends on cooperation of 48 County offices and departments. It focuses on the purchasing, scope of work and data collection processes that are, of necessity, highly variable because the scope of items and purchasing authority by the County is so varied.

SECTION 2: POLICY

1. The County, its contractors, their subcontractors and suppliers, as well as all vendors of Commodities, Equipment, Professional and Personal Services, Maintenance and Construction, shall not discriminate on the basis of race, color, religion, national origin, disability, gender or sexual orientation in the award and/or performance of contracts. All individuals and entities doing business, or anticipating doing business, with Bexar County are encouraged to support and implement a program designed to achieve the goal of establishing equal opportunity for all of the citizens of Bexar County.
2. SMWBE for the purpose of this policy are companies with a certification designation from an authorized certification agency as a woman, small or minority group certification, such as Historically Underutilized Business (HUB), or Disadvantaged Business Enterprise (DBE), or Minority Business Enterprise (MBE), or Women Owned Business Enterprise (WBE), or Small Business Enterprise (SBE) , or African American Business Enterprise (AABE), or Asian American Business Enterprise (ABE), or Disabled Individual Business Enterprise (DIBE), or Emerging Small Business Enterprise (ESBE), or Hispanic American Business Enterprise (HABE), or Native American Business Enterprise (NABE), or Veteran Business Enterprise (VBE) or Lesbian, Gay, Bisexual, or Transgender Enterprise (LGBT) recognized and approved by Bexar County Commissioners Court.
3. All bidders, which shall include sub-contractors, sub-suppliers and sub-consultants, are required to provide information identifying ownership for their company by registering in the County Supplier Portal.
4. All vendors receiving awards for Goods, Commodities, Services, Construction or Professional Services must provide ownership and amount information for all sub-contractors, sub-suppliers and sub-consultants to be engaged before or during the term of the award.
5. Small Business and Entrepreneurship Department (SBED) employees shall avoid any activity that would create a conflict between their personal interests and the interest of Bexar County and will avoid the appearance of unethical or compromising practices in relationships, actions, and communications. The types of activities that should be avoided include: accepting gratuities of any kind valued at more than \$25 from current or potential vendors; using confidential proprietary information for actual or anticipated personal gain; or disclosing a vendor's confidential proprietary information inappropriately to other vendors during the procurement process.
6. SMWBE participation targets are not included in the evaluation of bids or proposals for awards.
7. Nothing in this policy is to be construed to require the County to award a contract to other than the lowest responsible bidder as required by law and Bexar County policies and procedures.

ATTACHMENT A SMWBE PROGRAM GOALS

Bexar County is committed to increasing the involvement of SMWBE in its procurement process. Similarly, the County promotes SMWBE participation in its Tax Phase-in Program to support the growth and diversity of a regional economy.

The Commissioners Court established SMWBE Participation Targets of a minimum of 20% of all procurement dollars in the areas of Commodities, Equipment, Services, Maintenance, Professional Services and Construction are spent with minority and women-owned business enterprises, and a minimum of 30% of those procurement dollars are spent with small business enterprises.

At this time, however, the SMWBE Program is limited to outreach and data collection because the County cannot award any points or set-asides for SMWBE in the procurement of goods or services unless it is to correct a documented disparity. Using this data, a report will be developed by the Small Business and Entrepreneurship Department, the Purchasing Department and the Auditor's office to show expenditures by commodity code, department or office transaction and vendor payments. At any time the Court may consider contracting for the preparation of a study that will detail the availability of Bexar County SMWBE. If an availability study is obtained, it can be compared to the County's efforts and purchasing history with SMWBE to determine if a disparity exists. Race Conscious and/or Race Neutral Remedies to correct any evidence of discrimination will be recommended to Commissioners Court for implementation by the Small Business and Entrepreneurship Department.
