

Bexar County Commissioners Court Minutes (October 2001-Present)

The Bexar County Clerk's Office is pleased to announce that Commissioners Court Minutes from October 2001 to present are now available for public search on our Records Management System, Vanguard. The public can access the website by visiting <https://bexar.tx.publicsearch.us/> or by visiting www.bexar.org/CountyClerk and clicking on the **Official Public Records Search** icon.

Individuals may view and print plain copies free of charge, after registering for an account. One of the many great benefits of the records management system is the ability to search by applying the **Search Index and Full Text (OCR)** option. To use this feature, 1) select **Quick Search**, 2) select **Commissioners Court** in the drop down menu, and 3) select **Search Index & Full Text (OCR)**. This allows users to search by key words such as "public works".

In order to view the key word within the search results, users may (1) click on button pictured in the figure below. The key word that was searched for will be highlighted in yellow. Please note, this feature is only available when utilizing the **Quick Search** option.
