CONVICTION INTEGRITY UNIT CASE REVIEW INTAKE FORM

FORM INSTRUCTIONS

The following form is required to initiate a case review by the Conviction Integrity Unit of the Bexar County Criminal District Attorney's Office. Please answer as many of the following questions as you can. The additional pages at the end of this form may be used if more space is needed to answer any question, however please indicate which question above you are answering.

Please understand that we are not your attorneys and cannot give you legal advice. You should also be aware that the Bexar County Criminal District Attorney does not have the power to overturn your conviction or reduce your sentence. That can only be done by pardon, clemency, or a court acting under lawful authority.

After completing this form, please submit it by email to CIU@bexar.org or by mail to the address below. Please include copies (but not originals) of any documents or materials you believe are necessary to conduct a review of your case.

Once we receive the completed form, a review of your case will be initiated to determine whether there is some evident injustice which may be corrected by the procedures available for post-conviction relief. The length of time this review may take will depend on factors such as the type of offense you were convicted of, the nature of your claims, the age of your case, and the availability of case materials and witnesses. After this review is complete, we will inform you of our conclusions.
